Re: MCB Camp Lejeune; Responses to EPA Region IV Comments on
the Draft Site Inspections for Sites 44 (Jones Street
Dump), 63 (Verona Loop Dump), and 65 (Engineer Area Dump)

Dear Mr. Burger:

In our letter of 28 January 1992, we informed you submission of
the referenced responses and Draft Final documents would be
delayed until 18 February 1992.

On 5 February, during our telephone conference call with you,
Ms. Glenn (EPA Region IV), Mr. Paul (MCB Camp Lejeune), and
Mr. Wattras (our RI/FS consultant), we agreed to meet at EPA's
offices on 1 March to discuss the referenced SIs and future SIs
for MCB Camp Lejeune. The results of this meeting will determine
the nature of the referenced responses and content of the Draft
Final documents. As such, we plan to submit of the referenced
responses and Draft Final documents on 30 March 1992, 4 weeks
after the meeting date.

If you do not concur with this schedule delay, please contact
Mr. Byron Brant, our Remedial Project Manager for this effort,
at (804) 445-2931.

Sincerely,

Byron C. Brant
